First Claim

42 U.S.C. § 1983--Against All The Plaintiff(s) claim that the Defendants have clearly violated the 5th, and 14th Amendments of Our Constitution, in that they have infringed on our Property. The US Supreme Court has held that in numerous case law that Monies effected, held, converted or misused, and/or withheld by the Congress is illegal under the Stated Constitutional Amendments ie.: An adverse action that violates a substantial right cannot stand" (*M!e Stone v Fed Dept.t insurance corp 179 fi'3rd 1368, 1377 (fed Cir 1999)*) and further held in controlling law under *5 USC sec 7701©(2) (see also Morton v Mancari 417 US 535, 550-551 0914)Id.*

Further, and more importantly: "The Due Process Clause of the Fourteenth Amendment reduces unfair or mistaken deprivations of individual interests by commanding the Governments to provide persons in jeopardy of loss with certain procedural safeguards. It is by now axiomatic that the language of the Due Process

The Answer to the above is that the Plaintiff(s) were NOT afforded consideration of the Due Process clause and where the Congress is Guilty of failing to adhere to the Law, the Constitution and/or the will of "We the People". For clarity of the violations asserted: the Congress deprived the Petition(s) Due Process but mostly to Deprive the Petitioner(s) of Life , liberty and **property**. The Petitioner(s) submits that he have a vested property interest in their Constitutional rights and to be secure of Petitioner(s) Monies, and that their monies ARE property under the 5th Amendment: note, that ALL courts have found that monies are considered property under the Constitution, and it is the ***Congress mandate under the Constitution to be a FIDUCIARY of the people monies , Life and Liberty, and mandates that are set upon them by LAW!*** and as stated in *Mallette v Arlington 9(F3rd 630,6,16 (4th cir (1996/* and where controlling law clearly states in 22 USC sec. 4051 "guarantees monies as does 22USC 8336/38 sec 831.1742, 848.502: ***states that a Court cannot revoke or forfeit monies. B. The Defendant(s) The summary list is included here by reference as is the listing of Attachment N0.2. The Defendants are all individual members of the US Government (US Congress).And this complaint in part of their roles to uphold the US Constitution and all legislative laws

Jurisdictional Basis: Under 42 U.S.C. § 1983, any citizen may sue state or local officials for the "deprivation of any rights, privileges, or immunities secured by the Constitution and [federal laws]." Under *Bivens v. Six Unknown Named Agents of Federal Bureau of Narcotics*, 403 U.S. 388 (1971), you may sue federal officials for the violation of certain constitutional rights. Further, the Plaintiff seek relief under This action seeks money damages because of a county deputy sheriff's participation in private parties' wrongful deprivation of Plaintiff's property. Plaintiff alleges that all of the Defendants acted under color of state law and

violated Plaintiff's rights under the Fourth and Fourteenth Amendments to the Constitution of the United States. Plaintiff also brings two state law claims pursuant to this Court's supplemental jurisdiction.

PART II

1. Are you bringing suit against (*check all that apply*):
 - ' Federal officials (a *Bivens* claim)
2. Section 1983 allows claims alleging the "deprivation of any rights, privileges, or immunities secured by the Constitution and [federal laws]." 42 U.S.C. § 1983. If you are suing under section 1983, what federal constitutional or statutory right(s) do you claim is/are being violated by state or local officials?
3. Plaintiffs suing under *Bivens* may only recover for the violation of certain constitutional rights. If you are suing under *Bivens*, what constitutional right(s) do you claim is/are being violated by federal officials?

The Petitioner(s) have been "selected/voted" into office to uphold the US Constitution and the laws of this land. On or about November 5, 2024, the Overwhelming Majority of "We The People" of the United States and in accordance with all the Laws provided under our Constitution did in fact "Mandate" that Donald J. Trump act on our behalf as President of these United States. The alleged Defendants are derelict of their duties to carry out the Mandate of "We the People, of these United State" Further, New committees and Appointments by the Sitting president have also disclosed theft by these same defendants. Their Actions can be considered nothing less than to have potentially violated federal Laws and have caused extreme harm to "We the People" But more so have tainted the trust that "We the People" "had" of the Congress, and/or betrayed the Majority vote of "We the People". Their lack of action or actions to undermine the Mandate of "We the People" is unconscionable and can NOT go unnoticed. The Harm to "we the People" is extensive and they continue to undermine the will of the "People" by their direct and indirect actions through others. Their action can also be to violate Federal Tort Claim Act provision. Further, Section 1983 allows defendants to be found liable when they have acted "under color of any statute, ordinance, regulation, custom, or usage, of any State or Territory or the District of Columbia." 42 U.S.C. § 1983.

II. Statement of Claim

1. As noted herein and above the Defendants have violated and caused harm to Millions of US Citizens, They refuse to honor the Mandate of “We the People” and continually cause harm to deter or stop the Mandate of the People by raising barricades and attempting to insight a revolution among the people by spreading misinformation, or twisting the facts as they are to fit a narrative to simply undermine the Mandate of “We the People”. Their actions and lack thereof, fall in the realm of Treason, Insurrection, as well as numerous violations of 18 USC sec. 666 The assigned Department of Government Efficiency (DOGE) has uncovered numerous activities of Corruption and Fraud all pointing to the majority of the Defendants. The facts for these matter have been suppressed , but it is the intent of this complaint to require these records be released through the Discovery process, and where those matters can ONLY come to light through a Court Order which further emphasis the Need for this Action to be filed before this Court. The Failure to act in the interest as Mandated by the majority vote of November 5, 2024 was clear and precise to its end(s) that the Congress was to ACT in the interest and demands of “We the People” and NOT in their OWN best interest. They Have FAILED and we seek redress and correction to right the wrong imposed upon “We the People”. And for those in violating the Constitution to be referred to the US Attorneys Office for further prosecution(s)

Injuries: The injuries from the Plaintiff(s) actions are too enormous to list individually, However, through the discovery process the full extent of the Corruption, dereliction of duty, it will reveal the injuries to “We the People” and will be presented in whole to this Court. As a **note to this Court “We the People” have decided to take matters upon ourselves as we have found that the Congress on both sides is spineless to act for “We the People” under CONSTITUTIONAL LAW(s) so we must act for ourselves and to preserve the US Constitution as its intent was for “We the People” and not we the Congress. They have FAILED us and now we must correct the wrongs.**

Relief

“We the People” Demand that the US Constitution be upheld not only for its written words for the intent meant by the founding Fathers. There are numerous

articles that can be “regenerated” to meet the relief, The Articles of the Confederation, George Washingtons farewell speech, and countless other documents, but the most reasonable one is pure “Common sense”. We demand that the Congress be moved to adhere to the US Constitution and more so to the Mandate of the People or to relive themselves of office or have this Court so remove those in violation of the statements above. This further relief is to Grant the US Attorney full authority to place these actors (Defendants on Leave) until these matters can be resolved in full. This Court has the Authority to submit or assign a special Counsel (selected by “We the People”) in all fairness and to avoid political pressure to yet prevail, to govern the actions of this Court, and to suspended the Defendants completely or to temporarily place them on administrative leave ***with no right to act in the Congress*** until a final ruling is Ordered.
